**MOTION IN LIMINE**

COMES NOW the defendants and move the court for an order in limine prohibiting the plaintiff from offering or adducing any evidence on any issues or claims that were rejected by the court on summary judgment including but not limited to: (1) plaintiff being the victim of an alleged assault on June 21, 2002; (2) plaintiff's claim of cover up; (3) plaintiff's subsequent lay off in 2003; (4) or plaintiff's complaints about his Loudermill hearing and termination after July 23, 2002.

Said evidence is irrelevant, immaterial, speculation, premised upon hearsay, and will confuse and mislead the jury to the defendants' prejudice.
